

ANGLEŠČINA – USTNI DEL IZPITA

TEME ZA POKLICNO MATURO OD SPOMLADANSKEGA ROKA 2018/19 NAPREJ

The oral part consists of 3 questions. 2 questions refer to the topics listed below, and you will also have to respond appropriately in different situations (role play), also listed below.

You will be asked to describe a picture or you will have to talk or make comments about a short text (up to 100 words). All pictures / texts will refer to the topics you discussed during your English lessons. You should be able to use the vocabulary connected with them, add your own opinions and personal experience.
